BLAIR-NTS-03

But she wasn't the forgiving type, not one damned bit.

Freudian Fuck

"Can I interest you in a fanny pack?"

Only I didn't say "pack?" I said "pat?"

No sooner had I asked this question than the customer frowned and demanded to see my manager. She failed to see the humor in my Freudian slip. I apologized profusely. Still, she persisted. The woman was pissed. Big time.

"I'm not leaving the store," she told me, "until I talk to your manager."

"It was an honest mistake, ma'am," I pleaded my case, all but begging her to forgive and forget my unfortunate slip of the tongue.

But she wasn't the forgiving type, not one damned bit. The angry customer stood her ground right there in the middle of the showroom floor, refusing to budge an inch until her demand was met.

"And don't tell me the manager is not here." Her arms crossed, the woman stared daggers at me. "I've heard that line before."

Other customers watched the conflict with keen interest. Nosy bastards. I had really screwed up, me and my big mouth, creating quite the scene.

"I'm waiting," the woman stated bluntly.

"Yes, ma'am," I replied sheepishly. "I'll be right back."

I had to interrupt my manager in the middle of her lunch break. Standing in the doorway of Vicki's tiny office, I saw a half-eaten sandwich and a bag of chips on her cluttered desk.

"We've got a problem," I told her.

"Problem?"

"A customer wants to see you."

"Can it wait? I'm in the middle of lunch."

"I'm afraid not."

Vickie sighed heavily, wiped her mouth with a napkin, and rose from her chair. She followed me to the showroom floor where the irate customer waited.

"Hello, I'm the manager," Vicki said in her most accommodating manner. "What seems to be the problem?"

"The problem," the woman said, "is your dirty-minded employee. You won't believe what he said to me."

Vicki cut her eyes in my direction. I immediately peered at the floor. Heat flooded my face. I had never been so embarrassed in my entire life.

I listened while the woman related the incident. I wanted to disappear, wanted to snap my fingers and vanish into thin air.

"I'm terribly sorry," Vicki said after the woman had finished her story. "Do know that the appropriate disciplinary action will be taken—"

"Fired! I want him fired!"

I had heard enough. Head down, I hastened to the staff lounge to collect my jacket. There was no need in sticking around to see what Vicki would do.

I knew what she would do.

Can my ass.

She had no choice in the matter. The department store was corporate-owned; they had strict rules and regulations, firm policies which had to be followed to the letter. Vicki's hands were tied.

I was about to punch my timecard for what I thought would be the last time when she returned from the showroom and said, "What are you doing, Rick?"

"Quitting," I told her, "before you fire me."

"Who said anything about firing you?"

She leaned over the center console and took me in her mouth. Her moist lips encircled my shaft. I marveled at the glorious sight of her head bobbing in my lap. She knew a thing or two about giving head.

"I know how these things work, Vicki. The customer is always right, right?"

"Not always."

"Yeah, well, I said it. I didn't mean to, but I did. Guess I've been reading too much Sigmund Freud."

Vicki burst out laughing.

"I'm serious. We've been studying him in my Psychology class."

"Psychology?" Vicki seemed astounded. "I didn't know you were in school?"

"Night school."

"Good for you, Rick," she said, regarding me thoughtfully. Then, "I wasn't going to fire you. As a matter of fact, I wasn't even going to file an incident report with the home office."

Now I was astounded. "No?"

"You're a valuable employee. I can't let you go over something so trivial."

"She didn't think it was trivial."

"Some people lack a sense of humor."

"This is true."

"I wished you had said the same thing to me," Vicki added. "I would have been flattered . . ."

I smiled wryly.

". . . and more than a little turned on," she finished.

Vicki, a recent college graduate, was just a few years older than me. Managing the department store was her first real job. I had always found her attractive. Her compliment boosted this attraction, so much so that I changed my mind about resigning.

I would be crazy to quit now; things were just starting to get interesting.

"Do you have class tonight?" Vicki asked.

"Not tonight."

"Would you like to grab a drink after work?"

"Sure," I said, perhaps a bit too eagerly.

"Great." Vicki smiled. "Well, I'd better get back to my office and finish my lunch."

I returned to the sales floor with a pep in my step. The woman was gone. I recognized one of the nosy customers who had watched the incident; he was perusing a rack of golf shirts. The others seemed to have left.

My Psychology instructor had said that Freudian slips were subdued wishes manifested in speech. If this was true—well, I had wanted to cop a feel! This didn't surprise me. The customer had turned out to be a total bitch, but she did have a really nice ass.

Vicki had a nice ass too.

I hoped things went well tonight, hoped I got lucky. I hadn't gotten laid since breaking up with my girlfriend six weeks ago.

I was overdue for some pussy.

After work we took Vicki's car to a nearby bar with live music. The cover band was mediocre and loud. Vicki and I struggled to hear one another over the strident tunes. She had three whiskey sours. I had the same number of draught beers.

"Let's get out of here," she said. "I can hardly hear myself think."

I had a good buzz going. It got even better when we climbed inside Vicki's car, and she told me that she wanted to suck my dick. Of course, I was all for it.

Sitting there in the passenger seat of her car, I unzipped my chinos and freed my prick.

"It's all yours," I said.

"Looks tasty," Vicki replied.

She leaned over the center console and took me in her mouth. Her moist lips encircled my shaft. I marveled at the glorious sight of her head bobbing in my lap. She knew a thing or two about giving head.

Vicki, moaning and groaning, shellacked my schlong expertly. Not too fast, not too slow. I responded accordingly, getting harder and harder as she upped the pace and moaned with greater urgency.

Was she going to finish me with her mouth? Or was this a mere warmup for something even better?

I got my answer soon enough when Vicki came up for air and said, "Let's go to

my place."

"Sounds like a great idea," I told her.

Wiping her mouth with the back of her hand, she started the car and wheeled out of the parking lot. I started to tuck away my junk when she reached over and proceeded to stroke me. Her left hand on the wheel, her right pumping me nice and slow, Vicki kept her eyes on the road the whole way home.

She was over the legal limit, had to be, but you would have never known it. She drove flawlessly, adhering to the speed limit, signaling before turns, and coming to complete stops at each and every stop sign. She was determined, I reasoned, to reach her place without incident so that we could fuck each other's brains out. I wondered how long it had been since Vicki had had a nice hard cock.

"Here we are," she announced, parking on the street in front of her apartment building. "Home sweet home."

"Nice place," I commented.

"You can zip up now, Rick."

I put my stiff pecker away for the time being then followed her from the car to the front door. Vicki didn't waste any time once we got inside. She undressed hastily, prompting me to do the same. She lay on the couch and spread her legs and played with her pussy.

"You won't believe how wet I am," she said, plunging three fingers inside her cunt. "That feels soooooooo fucking good . . ."

"Try this on for size," I stated bluntly.

Moving on top of her, my cock in hand, I guided it home. Vicki grunted like an animal when I entered her. She raked my back with her long nails. I gave her a series of hard thrusts, hard and deep. She wrapped her legs around my waist. I fucked her faster, jabbing her tight gash with a piston-like motion.

I could've easily stayed the course and popped off. But I had another idea. "Get up," I told Vicki. "I want to fuck you from behind." I led her to the side of the couch where I had her bend over the padded armrest. Standing behind her, I admired the curves of her beautiful ass. She regarded me over her shoulder. "Do it, Rick. Stick that hard cock in my cunt."

Vicki didn't have to repeat herself. I rammed her from the rear, rammed and reamed that tight pussy of hers with everything I had. Her small apartment resonated with the slapping of flesh. Holding her hips, my dick sliding in and out of her twat, my balls swaying with each forceful thrust, I neared the point of no return.

"Aaaaaahhhhhhh!" Vicki cried out crazily in climax. Her exuberant outburst would have triggered my own if I hadn't pulled out and taken several deep breaths.

I wasn't done, not by a longshot. My manager had a nice pussy, sure. But I wanted to close the encounter by fucking her other hole.

And that's exactly what I did.

Having spread her taut cheeks with my hands, I skewered her pooper in earnest. My dick, slick from her mouth and cunt, slid right in with no problem. I banged her backdoor good and proper before pulling out and coming all over her ass, coating it with six weeks' worth of jizz.

We got dressed and Vicki drove me to the department store. The place was closed, the parking lot empty save for my car. "See you tomorrow, Vicki."

"Sweet dreams, Rick."

I drove straight home. I was tired, of course. But sleep was out of the question. My Psychology instructor had scheduled a quiz for tomorrow night. I had to work all day tomorrow, leaving little to no time to prepare.

Unfortunately, studying proved harder than I had anticipated. Much harder. I kept thinking about today's Freudian slip and how angry that woman had been.

Fanny pat, I had said.

Hell, she had gotten off easy.

With that fine ass of hers, she was lucky I hadn't offered her a fanny poke!

Having spread her taut cheeks with my hands, I skewered her pooper in earnest. My dick, slick from her mouth and cunt, slid right in with no problem. I banged her backdoor good and proper.

I can be one very naughty girl. My pussy calls out to he fucked and Danny answers the call. But first, my mouth, and then my sweet kitty. I love giving head because that tells me, up close, how big and hard the guy's going to get. If I can help him get there, then it's into me he goes, and we both like that.

"There are some days that you just want to show it off, like today. I really like being the focus of the photos and not some guy's cock shoved into my pussy or mouth. I want you to think that I'm yours, if even for a day. My wide full mouth, my sweet shaven pussy, my beautiful full boobs, and my tight willing ass are all here for you, and just you. "I'm a whiz in the kitchen and an animal in the bedroom. So how do I combine my two talents? Why with the help of a big cock, of course. You get all the ingredients together, mix them up and put them in my hot oven; and when you pull it out, there's a warm, soft, liquidy glaze."

THE MAN CAVE

BLOWJOB AT THE OFFICE

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

I sat at my desk, my tie loosened and my shirt sleeves rolled up. I was scheduled for calls all day to go over the quarterly reports and whatnot. By noon, I was aching for it all to be done with. As the day wore on, I found my mind wandering to more carnal thoughts. My gaze drifted to the shapely rear of my young assistant.

Tina was a gorgeous brunette with a tight, toned ass that I couldn't help but stare at whenever she bent over to file papers or grab me a coffee. I hired her for her brains, but I certainly wasn't complaining about her body.

As my conference call continued, I imagined bending Tina over my desk and hiking up her brown pencil skirt. I could practically feel the soft, supple skin of her ass in my hands as I squeezed it. Lost in these dirty thoughts, I didn't even register when the call ended. I was jolted back to reality by a soft knock at the door.

"Come in," I called out, straightening my tie. The door opened and Tina stepped inside, closing it softly behind her. She was holding a stack of papers.

"Sir, I have those reports you wanted," Tina sauntered over to me, her hips swaying hypnotically with each step. I took in the way her blouse strained against her full tits and the way her skirt hugged her thick thighs. I licked my lips subconsciously.

"Bring them here," I said, my voice rougher than

intended. Tina rounded the desk and leaned down to place the papers in front of me, giving me an eyeful of her cleavage. The top two buttons of her blouse had come undone, giving me a peek at her white bra underneath. Unable to resist, I reached out and ran a finger along the edge of her blouse, making her shiver slightly as her breath caught in her throat.

"Is there something I can help you with, sir?" Tina asked, her voice barely above a whisper. I looked up at her, already growing an erection in my slacks.

"Oh, I'm sure there are many things you can do for me," my hand slid up to cup the back of her neck and pull her into a kiss. Her lips parted automatically to allow my tongue to delve into her mouth. She tasted like mint and chocolate, and I couldn't get enough. I kissed her fiercely, my other hand going around to grope the ass that I'd been fantasizing about all day. Tina moaned into my mouth. I could feel her nipples poking against my chest. I slid my hand up under her skirt, finding the damp patch in her panties.

"Fuck, Tina," my fingers rubbed her through the thin fabric. "You're so fucking wet. Did you plan this?"

"Maybe," Tina looked at me with hooded eyes. "I could see you staring at my ass all day. I thought you might like a little treat."

"Oh, I like it very much," I said, my fingers pushing the fabric of her panties aside to sink into her. Tina gasped, her head falling back. She was already so wet for me. I pumped my fingers, curling them to rub against that special spot that made her thighs shake. Tina ground her hips against my hand.

"Your fingers feel so good, sir. I want more." I used my free hand to undo my belt and zipper. My hard, aching cock sprang up, the swollen head was already shiny with precum. I stroked myself as I fingered Tina, watching her face contort with pleasure.

"Get on your knees," I commanded, "put that pretty mouth to work." Tina didn't hesitate. She sank down in front of me and looked up with lust filled eyes. She leaned forward and wrapped her lips around the tip of my cock.

"Fuck, yes, suck my dick." She took the shaft deeper into her mouth until she could feel it hitting her tonsils. She swallowed, her throat constricting around my sensitive flesh. I fucked her face with shallow little jabs of my hips. Feeling her fingers digging into my thighs as she relaxed her throat to take my girth.

She tasted like mint and chocolate, and I couldn't get enough. I kissed her fiercely, my other hand going around to grope that ass...

"Shit, your mouth feels so fucking good." My balls tightening as I neared my release. "I'm going to cum so hard down your throat." With a loud, guttural groan, I slammed myself deep in Tina's throat and filled it to the brim with hot, sticky cum. She swallowed rapidly to try and keep up. I slumped back in my chair, panting hard. She sat back on her heels, licking her lips and looking up with a satisfied smile.

"Was that a good treat, sir?" She asked coyly. I nodded, a lazy grin spreading across my face.

"The best." I tucked myself away and zipped up my pants. "You're a quick learner, Tina. I have a feeling you're going to do great here."
